

Our Mission:

The Community Outreach Division of the Western Judicial Circuit District Attorney's Office works to meet the safety and justice needs of the public by listening and gathering feedback, providing opportunities for public education and sharing of resources, and creating channels of transparency and accountability.

We Listen

Partner with us

We are interested in engaging with community partners in Clarke and Oconee Counties to form meaningful bonds and strengthen our communities.

Give us your feedback

We want to hear your voice. The voices of the community are essential to the success of our work.
